ABOUT US

Established in 1999, L.A Printing Solution Co., Ltd. has proudly served Cambodia as a leading provider of photocopiers and office equipments for over two decades. As a direct importer of both used and brand-new photocopiers and printers from overseas, we offer an extensive selection of reliable and cost- effective solutions to businesses and individuals alike.

Our strength lies in our experienced team. Many of our skilled employees have dedicated over 20 years to the printing and office equipment industry, bringing a wealth of knowledge and expertise to every service we provide.

OUR STORY STARTED IN 1999

Founded over 25 years ago by Sor Samath, L.A Printing Solution Co., Ltd began as a small team of fewer than five employees and has grown to around 60 staffs.

The company has evolved alongside the industry's transition from analog copiers to modern digital printing solutions, now providing sales, rental, and servicing of photocopiers, printers, and consumables across Cambodia.

Specializing in leading brands such as Canon, Ricoh, Konica Minolta, HP, Xerox & Toshiba, L.APS delivers reliable products, technical support, and complete document solutions, including maintenance, spare parts, and copy/print services.

L.APS

CORPORATE CULTURE

CORE BUSINESS

The core of our business lies in copiers service and industry technology, with high-quality product and premium service support to serve our customers. Our commitment is to bring back simplicity to the business process.

MISSION

Build strong, lasting relationship and partnership with our customers by providing cost-effective printing solution. Maintain the position as the most trusted and preferred supplier in the Cambodia market.

VISION

To nurture enduring partnerships with businesses throughout Cambodia by providing dependable printing solutions and unwavering support. Becoming a trusted foundation for operational success.

VALUE

- Rules Above All
- Dreams are Part of Life
- Challenges Make It Possible
- Create Value for Users
- Accountability for consequences

OUR MANAGEMENT

MR. SOR SAMATH

FOUNDER & CEO

The company's leadership is built on strong industry experience and technical expertise. The founder began his career in 1995 as a technician and later completed advanced training in both traditional & digital printing, locally and overseas.

Since 1999, his leadership and vision have been instrumental in establishing the company as a trusted growing name in Cambodia's printing industry, widely recognized by international companies and local business owners.
